Experience

UX Project Coordinator — Client-Based Capstone — Sep. 2025 - May 2027
Public Finance Firm (PFF), LLC — *College Park, MD*

- Organized UX design sprints across a six-month project timeline and tracked milestones and deliverables for the Treasora Interagency Agreement (IAA) Module.
- Identified and recruited prospective end users, including a university finance administrator and government operations professionals, while managing email outreach, responses, and interview scheduling.
- Supported project planning and stakeholder communication to facilitate user research and requirements gathering.

Teaching Assistant — Sep 2025 – Present
University of Maryland, College Park — *College Park, MD*

- Evaluated assignments and projects for approximately 200 undergraduate students, providing constructive feedback and clarifying design decisions.
- Guided students in stakeholder identification, UX workflows, visual communication, and Figma-based case studies.

Editorial Illustrator — Oct. 2022 – Jun 2023
UCLA Student Media: Daily Bruin — *Los Angeles, CA*

- Created 10+ published editorial illustrations for a public audience, collaborating with writers and editors to align visual storytelling with article content and feedback.

Special Events Office Associate — Oct. 2022 – Jun 2023
ASUCLA Catering — *Los Angeles, CA*

- Coordinated customer requests, event schedules, and 1,000+ banquet event orders, maintaining accurate records and timely communication.

Projects

Front-End Developer — 3D Ben & Jerry's Simulator | *HTLM, CSS, JavaScript* — Feb 2026 – May 2026

- Developed an interactive 3D web application in Visual Studio Code using JSON, external libraries (Three.js and Tone.js) and APIs to feature character interactions, dynamic menus, and 20 ice cream flavors
- Designed interactive product exploration and interface elements to create an engaging digital experience
